Information about the last days of term

Everyone is busy in school preparing for the end of term. Please find below a list of all events leading up to the final day. In preparation for the class celebrations on the last day of term, we would ask that all children make a voluntary contribution of 50p paid to class teachers by Friday to cover the cost of party food, snacks etc. This does not include reception as their snack money will cover the cost of this.

On the final day of term (Wednesday 25th July) we will also be collecting food items for our local food bank (St Paul's Centre) to top them up to help vulnerable families over the summer months as they report that their supplies are currently very low. Please see attached for more information on what to donate. We will also be doing a collection of school shoes that children no longer need to be donated to third world countries. If you would like your child to donate their shoes, please send them into school on the last day of term to be donated. Wednesday 25th July will be a non-uniform day for all children.

What's in a Food Parcel?

Foodbanks provide a minimum of three-days' nutritionally balanced, non-perishable tinned and dried foods that have been donated by the local community.

We have worked with nutritionists to develop a food parcel that contains sufficient nutrition for adults and children, for at least three days of healthy, balanced meals for individuals and families.

A typical food parcel includes:

- Cereal
- Soup
- Pasta
- Rice
- Tinned tomatoes/ pasta sauce
- Lentils, beans and pulses
- Tinned meat
- Tinned vegetables
- Tea/coffee
- Tinned fruit
- Biscuits
- UHT milk
- Fruit juice

Alongside the standard food parcel, foodbanks try to provide the following essential non-food items to adults and children in crisis, helping them maintain dignity and feel human again, such as:

- Toiletries – deodorant, toilet paper, shower gel, shaving gel, shampoo, soap, toothbrushes, tooth paste, hand wipes
- Household items – laundry liquid detergent, laundry powder, washing up liquid
- Feminine products – sanitary towels and tampons
- Baby supplies – nappies, baby wipes and baby food.
